7th Whipper Watson SNOWARAMA raises \$20,289.00

MINDEN — In almost perfect weather, 216 snowmobilers took off from Minden and Haliburton for the 86 miles Whipper Billy Watson, 7th annual Snowarama for Ontario's crippled children, carrying pledges of over \$20,000.

Participation in this year's Snowarama set all kinds of records, not only money wise but also in the amount of riders who solicited pledges. In 1980 Minden raised \$11,000, this year that total went to \$12,626.00. Last year 108 riders left Minden with pledges, this time around 167 riders headed out.

Haliburton pitched in with \$7,615.00 this year and had 51 riders bringing the total pledges for the Minden-Haliburton Snowarama to \$20,289.00, the highest ever in the seven years the event has been held in Haliburton County.

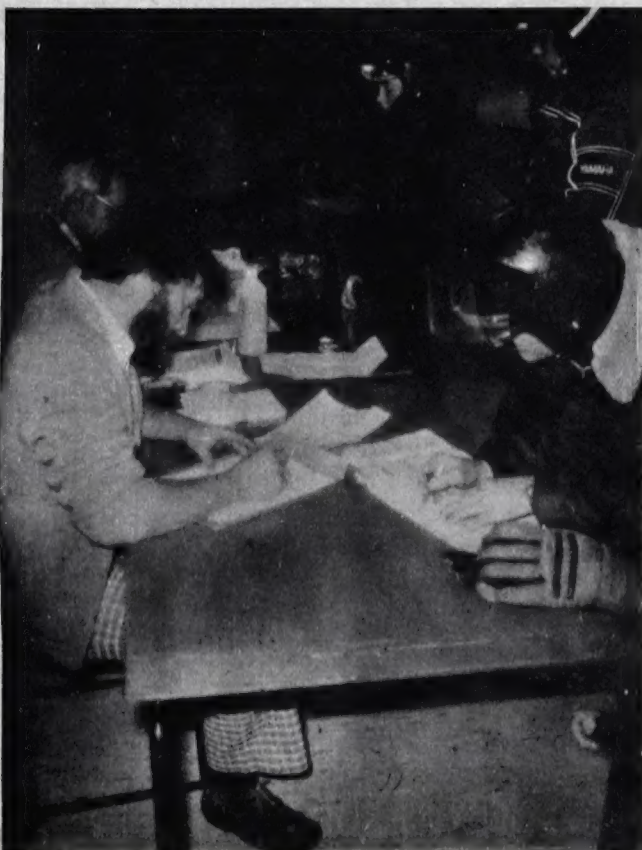

The 100 kilometre route, began at the Minden Community Centre and travelled around Mountain Lake, 12 Mile, Boshkung, through Three Brothers, Big and Little Hawk Lakes, Kennisis, Drag, Kashagawigamog, Canning, South Lake and back to Minden. The route was in excellent condition this year thanks to the plentiful snowfall and grooming by the Haliburton County Snowmobile Association.

Free gasoline was once again available at each of the resting points, and most riders took advantage of the offer before heading out on the route. John Francis Fuels took care of the Minden riders while Giles Connelly of Imperial ESSO looked after the Haliburton riders. Oil was donated by Red-X.

Top pledges this year were solicited by Jack Courtney of Haliburton with \$2,100 and riding out of Minden and carrying the top pledge sheets for the third year in a row was Del Taylor of Beaverton. Del walked into the Minden registration area with \$1210 in cash, he collected every pledge he solicited.

chambers recently with the following township business conducted and a full council present.

USE OF CURLING BUILDING: Ken Bannon, chairman of the recreation committee was present regarding the new curling club building and to obtain clarification as to its operation. The committee is concerned with respect to (a) possible competition in renting (b) parking space and (c) the need for

an agreement or policy to confirm council's position. Two members of the club will attend the next meeting of council to clarify these matters.

NESBITT REZONING: Mr. B. Nesbitt was present to advise council that the lot he was selling in Lot 16, Con. 6 Township of Minden would be used as a bush lot only.

OWNERSHIP OF BUILDING: Jerry Pillsworth, president of the Agricultural Society attended to confirm ownership of the cement block building adjacent to the old curling club building. Clerk Elinor Burk was instructed to obtain a legal opinion on the documents in their possession.

CALL FOR TENDERS: Road Superintendent, Earl Kent was directed to prepare a list of products which can be tendered in conjunction with the City, such as calcium chloride, culverts and road oil.

Jerry Pillsworth returned as President of Agric. Society

MINDEN—Last Wednesday evening the Minden Agricultural Society held its annual election of officers at the Minden municipal building.

Twenty people placed their names up for election to the 12 directors spots. Jerry Pillsworth was returned as president of the Society for the second year.

First vice president went to Wayne Cox, 2nd vice is Dwain Wruth and secretary-treasurer for 1981 is Helen Johnson. These four executives will be joined by eight Board of Directors over the next twelve months, Ray Welch, Mary Jane Irwin, Bev Connelly, Loretta Nesbitt, Merv Gilbert, Marg Miller, Beatrice Taylor and Leona Skead. Also elected at the meeting were the Junior directors and these are: Fred Cox, Lynn Cox, Mary Lou Johnson, Bess Cameron and Casey Cox (the sixth is Dwain Wruth).

The board also announced the dates of the Agricultural Fair which will take place on August 8-9, 1981.

Cars on ice races see over 50 drivers compete

day, 15 race card, with Bill LeFeuvre of Toronto winning the Feature race on both days.

EDITORIALLY SPEAKING

TORY CONFIDENCE MAY BE MISPLACED

The Davis government feels that this is the time to strike . . . that their popularity level is such that on March 19th, they can recapture a majority government.

Obviously the Tories of Ontario haven't stayed in power for 38 years by making a lot of political mistakes, but we feel that this time they may have misread the public attitude.

For the first time in those 38 years, the Tories are in charge of an economy which is lagging far behind most of the rest of Canada. Ontario people don't like it one bit.

Just as suddenly Davis finds himself in bed with Pierre Trudeau over the constitutional issue . . . and the majority of people in Ontario believe it's the wrong bed.

Clearly the Tories are counting on the weaknesses of leadership of both the Liberals and the NDP — and there are definite weaknesses. But when they can talk unceasingly about lack of jobs and industrial closings and the like, Stuart Smith and Cassidy don't have to be Abe Lincoln to score some points.

In this part of Ontario, the Tories may be in real trouble. In both Simcoe East and Muskoka, the Liberals have good strong candidates and campaign organizations. In Haliburton—Victoria Counties incumbent Liberal MPP is certain to be re-elected.

Nowhere is Ontario's depression more obvious than in Simcoe North, which the provincial government has succeeded in virtually ignoring for more than two decades.

Muskoka on the other hand wishes it were ignored. Treasurer Frank Miller could be in trouble in his own riding where people are still hurting over the imposition of regional government and where that government has just tried out a monstrous re-assessment of property to actual values. Residents know they are going to face another whopping tax increase and they blame regional government (hence the provincial government) for it.

Mr. Davis may be a little over confident.

STANHOPE NOTES

by A. F. Stevenson

As is now well known, fire struck at the home of Mr. and Mrs. Carl Harrison completely destroying it with the contents and making it the second such loss in the space of a week for families in Stanhope Township. As was previously mentioned in this column the Airport Committee arranged to make a donation of half the proceeds of their dance, to be held Feb. 14th, to the Barjarow benefit fund, while in the case of the Harrison fire, arrangements are being made to have a benefit dance on March 14th. No doubt the generous support of the area people will be forthcoming for aiding both stricken families.

The recent market value reassessment of properties has caused more than a little dissatisfaction in the township and we would be very surprised if the number of appeals against the new assessment is not quite substantial. It is easy to form this opinion from the comments one hears in passing, and if the various aroused property owners have the fortitude to back their criticism of the reassessment there will be a voluminous list of objections.

The anger seems to range from over evaluation of land values to doubts about property market values. It is only natural that many of the objections will come from seasonal residents, who, besides being in the majority are also the owners of properties which they claim have been improperly assessed from a variety of viewpoints.

This may be a good time for seasonal and permanent residents to decide on a basic approach on this subject, keeping in mind that while there may be some differences between the ideas of permanent and seasonal residents on property ownership obligations, there is little disagreement on the question of dubious methods of assessment.

Those who find they have grounds for objecting to their assessments are reminded that the last day for lodging a complaint is Feb. 17th.

Users of St. Peter's road will have noticed that the visibility in the vicinity of the bridge has been greatly improved, thanks to work of the brushing crew engaged in removing dead or low hanging branches.

Two Toronto men receive 2 years on 3 break and enters

On Wednesday, Feb. 4, 1981 two Toronto men were sentenced to two years in jail on three counts of break, enter and theft on Mountain Lake, dating back to September 1979.

Randall Steven Steele 25 and Gary Brian McKend 22, received the sentence in Lindsay County Court following their trial on Wednesday.

Both men were already serving sentences in Kingston penitentiary for other convictions in the Toronto area.

ches. Approaching from the church side of the bridge it is now possible to see vehicles at the North Shore Road intersection with the bridge, or vice versa.

The committee for planning Stanhope's Fur Day 1981 held its first meeting and chairman Ann Barker advises us that letters have gone out to various government agencies inviting displays for the event. It is hoped that this earlier initiative will have positive results in providing a larger and more interesting Stanhope Day. No doubt considerable effort will be put forth during the intervening months as the planning needs become clearer and the tasks are delegated to the various committee workers.

Keep in mind the Feb. 14th dance at the Community Hall, and if you wish to make donations of food to the Airport Committee for the event they will be welcomed as a means of keeping costs down, and the proceeds to the Barjarow benefit funds will be enhanced. Contact Pam Rolfe at 489-2359 re information on food or tickets. Donations of cash or cheques may be made to the fund care of Gerald Bain at the township office.

5 year old in serious condition after snowmobile collision

MINDEN — Although activity for the Minden Detachment of the OPP was fairly quiet last week, more than half of the collisions which occurred involved snowmobiles. In two of these mishaps four people were injured, one, a five year old boy, suffered head injuries and was rushed to Sick Children's hospital in Toronto.

The accident occurred on Sunday about 3:30 pm in Glamorgan Township. A snowmobile driven by Brian Cadieux 33, of Agincourt lost control on a curve and slid sideways into a machine driven by Frank Robertson 34, of Mississauga, Ont. Cadieux had his two five year old twin sons on the machine with him and he and his son Chad received minor injuries but his son Jeremy was taken to Toronto. Robertson was not injured but his machine was

damaged for \$2000. Cadieux's machine was damaged for \$300 and charges are pending against him. PC Boyd Jarvis.

On Friday, Feb 6 at 10:30 pm, a car missed a curve on a County road in Guilford township and struck some guide rails. Driver of the Toyota was Russell Donely 52, of Scarborough. Damage has been set at \$2500. Donely was charged with failing to report a collision forthwith. PC Brian Dunham.

Early Saturday afternoon a two vehicle collision occurred in Havelock Township with more than \$3,800 in damages set by OPP. Two snowmobiles met head on, on a curve near Kennisis Lake. Marcelino Ferreira 22 of Toronto had \$80 damage to the front of his machine when his throttle cable broke and he ran into the side of another machine driven by David Mills 20 also of Toronto. Ferreira was charged by police with driving a snowmobile without registration or insurance. PC Brian Dunham.

About 9 pm Saturday evening while driving on private property, two snowmobiles met head on 22 km east of Haliburton. A machine driven by Robert

English 22, of Haliburton received \$1500 damage and the other machine driven by Wayne Wells also of Haliburton received a similar amount in damages. No charges or injuries were reported.

VANDALS BREAK STORE WINDOW

At 9:55 am on Saturday, Feb. 7, Marie Cox reported a \$500 window had been broken by vandals at her Minden store. Investigation into the broken window is being conducted by PC Weldon Popp.

Novices down Haliburton 3-1

MINDEN — The Novices took to the ice at the Centre here Tuesday evening against Haliburton and came through with a hard fought 3-1 win.

Scoring for the Minden team was Aaron Hie, unassisted, Kent Taylor from Mike Muli and Joey Boyle unassisted.

The Novices then travelled to Bobcaygeon on Friday evening and chalked up an easy 5-1 victory. Taylor led the local team with four goals while Boyle had a single. Robbie Ackerblade recorded three assists in the win.

Saturday afternoon in Haliburton the Novices opened a best two out of three playoff series and came out on the shortend of a 3-0 loss. This put Minden in a very big hole as they now must win their next two games to advance to the next round or play off action.

Minden rink captures Halibtn' Highlands Mixed bonspiel

HALIBURTON — The annual Haliburton Highlands Mixed Bonspiel was held on the weekend with 26 rinks from around Ontario taking part. The event was scheduled as a 32 rink bonspiel but fell short of this when several of the rinks cancelled out at the last minute.

On a more pleasant note, the rink representing the Minden Curling Club went all the way to the championship, when they completely dominated the games.

The Minden foursome of Bill and Penny Obee, Ron Reid and Dale Austin opened the bonspiel on Friday evening with a 10-2 victory over the host Steve Colliver rink. Saturday morning they blanked Don Morley of Toronto 10-0. This put Minden in the semi finals against a very tough Richmond Hill foursome skipped by Doug Fisher and managed to squeak by the talented southern rink 5-4. Minden, led by skip Obee, then met Ron Schwint of Allora in the championship game and after six ends of a scheduled eight end game, Schwint conceded with the score at 9-2.

Minden captured the Carnarvon Lumber trophy as bonspiel champions plus luggage and sculptures crafted by Haliburton's own Carol McLean.

The price of hamburgers

(IDRC) - When you bite into that burger, think of trees.

In a different sort of Big Mac attack, huge tracts of forests in Central America are being cut to grow cattle for hamburgers and hot dogs.

The fast foods business is booming. McDonalds, the largest hamburger operation, sells about three billion burgers every year. In the process, about 300,000 head of cattle go between the buns.

The search for cheap beef to feed this appetite has led to Central America. There, pasturelands and cattle production have more than doubled over the last 30 years. Central Americans are not eating this meat; their beef consumption has dropped.

In the face of rising costs of domestic beef, the US government has stepped up imports. They claim this can trim a nickel off the price of a hamburger -- an inflation-fighting move that couldn't be more popular.

But the real cost is hidden by cheap hamburgers. Two-thirds of the natural forests have been cleared in Central America. All will have disappeared by 1990 if present rates continue.

Tropical forests act as the earth's "lungs" by absorbing carbon dioxide and producing oxygen as they grow. Scientists are becoming alarmed about the possibility of an "environmental backlash." They are most worried about the changes in world climate produced by a buildup of the carbon dioxide normally removed by forests. Their warning: give the trees a break today, or they'll give us a desert tomorrow.

Juveniles knock off Millbrook in opening playoff series 6-0

MINDEN — The Vasey Real Estate juveniles have eliminated Millbrook from further playoff action when they took 6-0 and 3-2 victories in their best two out of three series last week.

In the second game of the series played in Millbrook on Friday evening, the local Millbrook team took a 2-0 lead into the third period but Minden came out flying in the third to score three goals and sideline their hosts. Dave Lennie scored at 6:59 from Casey Cox and Greg Carpenter, then at 7:40 Les Booth tied the game from Kevin Shapiera and Shawn Silvers. The winner hit the netting from the stick of Rick Choy at 9:16 from Warren Mann.

Bantams destroy Sund. 5-0, 7-0

MINDEN — After going through the entire season with just two victories the Bantams matched that total this past week in round robin playoff action.

Playing in Sunderland on Monday the local boys chalked up a 5-0 win, led by the two goal, one assist night of Doug Schell. Scott Hamilton, Scott Yake and Jeff Howe added singles.

Back in Minden on Sunday, they destroyed the Sunderland entry again, this time to the tune of 7-0.

Once again Doug Schell came through with a two goal performance as did Hamilton. Singles went to Stamp, McLeod and Yake. Scott Danilko picked up the shutout in goal, in both Minden victories.

The Bantams now meet Bobcaygeon on Feb. 19 Orono Feb. 21 and 22nd and Caygeon again on the 28th. The team that finishes the round robin in all playoff series will advance to the OMHA quarter-finals as league champions.

Bobcaygeon drops Atoms 5-0 Peewees win 4-3 over Sund.

MINDEN— In the first of a two game series in round robin playoff action with Bobcaygeon, Sunderland and Orono, the Atoms were blanked 5-0 by Bobcaygeon. On Saturday at the Centre here, the Bobcaygeon boys edged a hardluck Minden team 4-3 in one of the teams finest games. Scott Russell, Jeff Francis and Derek Allison scored Minden goals. A tough third period again killed Minden's chances as they allowed the visitors three goals after entering the period with a 2-1 lead.

The Peewees are also in round robin play with the same three teams and on Tuesday evening in Sunderland the local squad came up with a fine 4-3 victory. Tom McLeod led the peewees with two goals while singles went to John Wells and Gord Wood.
